

Activity: record – play back

You can use an app on your phone, tablet or computer to record sounds.

- ★ This activity is for pairs.
- ★ If possible each person should have their own device to record and play back sounds. If you only have one device, then the 2nd person can use their voice or body to call and respond.

Activity: **record – play back**

Person 1 : Make a sound

★ **Make a sound!** Use your voice or body to make the sound of an animal.

Activity: **record – play back**

Person 1 : Recording

★ Record the sound you made!

Activity: **record – play back**

Person 1 : Listen back

★ **Play back the recording you just made, take a listen!**

Activity: **record – play back**

Person 2 : Make **a different sound**

- ★ **Make a brand new sound for a different animal!**
You can use your voice or body.

Activity: **record – play back**

Person 2 : Recording

- ★ **Record the sound you made.**
- ★ **If possible record on a different device than person 1.**

Activity: **record – play back**

Person 2 : Listen back

★ **Play back the recording you just made, take a listen!**

Activity: **record – play back**

Call and Response

Use the two recordings and play them back.

(If you only have one device in your pair, take it in turns. 1 person controls the recording whilst the other uses their voice or body to call and respond.)

Can you have a conversation?

Activity: **record – play back**

Call and Response

- ★ Can you add new sounds to the conversation with your voice and body?
- ★ Try covering the speaker a little when you play back the sounds, how does this change the sound?
- ★ Can you try playing at the same time without communicating?
- ★ Can you try imitating the exact sound of each recording?

Activity: **record – play back**

Have Fun!!
