

Songs to say 'Hello' and 'Goodbye'

When running music activities, you might like to start and finish with Hello and Goodbye songs. Here are some options which can work well with different groups.

Here are some song lyrics to try:

A Welcome Song:

Welcome, who are you inside?
Welcome, you don't need to hide.
Welcome, you can shine
Like a shooting star,
Sparkling through the sky.
Who are you inside?

- ★ With this song you can replace the word 'Welcome' with a participant's name.

Hello / Goodbye Song:

Well hello,
Well hello,
Well hello, hello!
It's nice to see you
Hello, hello, hello
How are you?
How are you?
How are you today?
It's nice to see you
So how are you today?

- ★ In this song, 'Hello' can be replaced with 'Goodbye' for singing at the end of the session.

Hello / Goodbye Song:

Hello everyone, hello everyone,
Glad that you could come. (repeat)

- ★ This is another one where you can make it more personal by replacing the word 'Everyone' with individuals names.
- ★ Again, 'Hello' can be replaced with 'Goodbye' for singing at the end of the session.
